JUNIOR/SENIOR HIGH
STUDENT HANDBOOK

WELCOME

Dear Students, Parents and Guardians:

Welcome to the *2015-2016* school year for Windham Junior and Senior High School. The administrative staff is excited for another productive and successful school year.

The mission of the Windham Schools is to foster pride, achievement, social responsibility, and perseverance among students. Time invested at Windham Junior and Senior High School is a valuable educational experience that provides skills, social development and opportunities for growth through academics, athletics, extra-curricular activities and interactions. Growth, coupled with desire and determination, can enhance successful fulfillment of future goals and opportunities.

It is our sincere desire that each student is successful during his/her time with us. Students who act in a respectful and responsible manner while taking advantage of our continually expanding curriculum have created a foundation for success.

The Windham Board of Education has developed guidelines for disruptive or inappropriate behavior by its students. A violation of any school rule or regulation may result in disciplinary action including school detentions, restricted periods, in-school suspension, out of school suspension, removal and/or expulsion from school, or court action as outlined in the Student and/or Athletic Code of Conduct approved by the Windham Board of Education.

This handbook is not all-inclusive in that it cannot possibly address all the possible scenarios which may arise and still be a convenient and understandable guide for students and parents. The Board of Education does not intend to limit its ability nor the ability of its administrators or faculty to respond to situations which are not specifically addressed herein. This handbook may also be amended during the school year without notice.

This handbook, in addition to the student code of conduct, provides a basic guideline of the school rules and regulations, and expectations for student behavior. Please take time to review this handbook and become acclimated with the expectations for the students at Windham Junior/Senior High School

ACADEMIC AWARDS

An academic letter will be awarded to any student who earns a 3.2 grade point average each of the first three grading periods. After the first year other appropriate awards will be given to students who achieve this distinction.

ARRIVAL/DISMISSAL

Upon arrival, students may wait on the sidewalk area in front of the High School/Junior High. At 7:20 a.m., students may enter the building lobby and report to the cafeteria for breakfast, room 135, or the library until 7:40 a.m.

Students are not permitted to stand around or loiter in unsupervised areas such as parking lots, bleachers, track area, street corners or any other property so designated as “school property.”

After dismissal from school, students who walk home are expected to directly leave school grounds unless attending an immediate after-school activity.

Students coming to the school for after school athletic practices, games or other events are required to wait in the assigned area.

Students who are being picked up by a parent/guardian may report to the gravel parking lot for pick up.

Students who drive to school are expected to exit the parking lot in a safe and timely manner. Student drivers are not permitted to make a “right-turn” onto Bauer Avenue until the buses have left to take students home.

ATHLETIC EXTRA-CURRICULAR ELIGIBILITY

Eligibility standards are established by the Ohio High School Athletic Association and the Windham Exempted Village Board of Education. Eligibility for participation in extra-curricular organizations/clubs shall follow guidelines set forth for athletics.

Grades 7-8: to maintain eligibility for grades 7 and 8, you must be currently enrolled in a member school and have received passing grades in a minimum of five (5) of the classes in which you were enrolled in the immediately preceding grading period.

Grades 9-12: A student must be currently enrolled in school and must have received passing grades in a minimum of five (1) credit courses or the equivalent, in the immediately preceding grading period. This includes incoming freshmen students.

Absence on Day of Extra-Curricular Activity: To attend or participate in any activity such as an athletic event, play, band/choir performance, dance, etc., sponsored by the school, students are to be in attendance on the day of the activity. A day of attendance for participation in an extra-curricular activity is designated by an arrival of no later than 10:35 a.m. A student leaving with an early dismissal OTHER THAN: medical, court, or principal discretion must be present for a **minimum of 4 hours of the school day** in order to participate in the extracurricular activity on the day of the event.

In addition to the eligibility requirements established by the Ohio High School Athletic Association, students in grades 7 –12 must have attained a minimum grade point average of 1.0 on the previous grading period. Students may participate in interscholastic activities if they received one failing grade for the previous grading period. An athlete will be ineligible when receiving two or more failing grades in the previous marking period. If a student's individualized education plan (IEP) indicates that an exemption from this portion of the policy (GPA requirement) would be advisable, such eligibility requirements shall not be applicable to that student, but the OHSAA requirement would still be in effect.

Students failing to meet the above requirements in any one grading period will not be permitted to participate in any organizational (club) activities as a member until the required level of achievement is once again documented (next grading period). A student may participate in practice with the approval of the head coach, athletic director, principal and parent/guardian.

ATTENDANCE PROCEDURES

COMPULSORY SCHOOL ATTENDANCE:

"A child between the age of 6 and 18 years is of compulsory school age" (ORC 3321.13) The laws of the state of Ohio (ORC 3321.04) require that every parent, guardian or adult having charge of any child between the age of 6 and 18 must send such child to a public, private or parochial school for the full term that school is in session, unless excused by proper legal certificate. Such attendance must begin on the first day of school.

Failure to send children to school (section 3321.38 ORC): "No parent, guardian or other person having care of a child of compulsory school age shall violate section 3321.01,3321.03,3321.94,3321.07,3321.30, or 3321.14 of the revised code."

In order to maintain compliance with state standards, **students are permitted no more than fourteen (14) absences in one year.** Parent notes for personal illness will not be accepted beyond the 14 day limit. All absences beyond the 14 day limit will be unexcused unless they are accompanied by a physician's note or a court document.

UNEXCUSED ABSENCES DEFINED:

1. Any absence not excused by state law.
2. Days of at-home suspension.
3. Any absence for which a student fails to submit a written note the returning day.

EXTENDED MEDICAL LEAVE ABSENCES

Prolonged physical illness under a physician's care of three (3) days or more must be verified on the physician's stationery along with the physician's signature. A student who may be suffering from a mental disability must be documented by a signed letter from a licensed physician, licensed psychologist, and/or certified school psychologist.

The letter from the physician and/or psychologist must note the exact number of days under his/her care and the exact number of days the student must stay home.

The awarding of academic credit is directly related to regular class attendance. **Students found to be truant from class may not be permitted to make up missed assignments. Excessive absence in any one class may result in loss of credit for the class.**

School sponsored or sanctioned activities for which the student has been properly excused (field trips, athletic events, etc.) are exempt from and will not pertain to this policy exclusive of “medically excused absences, doctor or dentist appointments, required court appearances, and verifiable emergencies as determined by the principal.

A written account of each step of this process shall be maintained by the Attendance Office.

ATTENDANCE RELATED RULES AND PROCEDURES

Make-up Work: The student will have one day plus the number of days absent to make up all work missed during an excused absence. It is the responsibility of the student to find out what he/she missed and make arrangements with the teachers in order to make up work missed. A student will receive a "zero" for work missed unless it has been made up. "Days" for this purpose are defined as school days.

Appointments: Students are requested to make all doctor/dentist appointments after school hours and/or on Saturday. Any appointment unable to be made after school must be verified by the students bringing an "office visit" slip upon their return to school. Failure to bring in proper documentation may result in an unexcused absence.

Students are expected to attend school before and after the appointment as only the time of the appointment and time of transportation will be excused.

Injured or Ill Students: Students who are injured or become ill while at school are required to go to the school office for help. School personnel options include, but are not limited to; making contact with the parent, allowing the student to sit in the school office, permitting the student to lie down in the clinic or calling for assistance from the school nurse, or releasing a student to go home. **Students may not use an electronic device to call or text someone without prior permission of the office personnel.**

Extra-Curricular Activities: The Building Principal reserves the right to revoke participation or attendance at school-related Extra-Curricular Activities, including the Graduation Ceremony, for students who have excessive tardies, excessive absences, or disciplinary reasons. Student attendance at extra-curricular activities such as athletic contests, dances, concerts, and programs is a privilege. The student must be present in school that day to attend an extra-curricular event that night as a spectator.

2. Pupils shall conduct themselves on the school bus as they would in the classroom except that reasonable conversation is permissible. Continued disorderly conduct, persistent refusal to submit to the authority of the driver, shall be sufficient reason for refusing transportation services to any student.

DANCE REGULATIONS – HIGH SCHOOL

The staff and administration recognize the desire for social interaction between students as part of extracurricular events, specifically student dances. While such events are held out of the normal school day, such events still fall under school supervision and regulation. One of the purposes for supervision and regulation is to provide guidelines for participant behavior, including the safety and enjoyment of all attendees.

The following is a list of guidelines for student attendance and behavior at school sponsored student dances:

1. Student dances shall be open to all Windham High School and Maplewood Career Center students who have Windham as their home school.
2. Grade level for attendance may be regulated by the sponsoring group, i.e., prom, etc.
3. Tickets for any dance may be purchased by currently enrolled Windham High School and Maplewood Career Center students only. Tickets may be sold at the door for current students only at the discretion of the sponsoring group.

4. A student may elect to invite an out-of-district guest. **The following guidelines will apply:**
 - A. The guest must be verifiably enrolled in an area high school or high school based career center program.
 - B. Tickets for guests must be purchased in advance, no tickets may be purchased at the door.
 - C. A Guest Request form must be obtained in advance and completed prior to purchasing the guest's ticket.
 - D. The Guest Request form must be completed by an administrator of the guest's home school, must include all requested information, and must include a recent school photo of the guest. No faxes or phone authorization will be accepted.
 - E. Guests may not enter the dance without the registered student.
 - F. The sponsoring organization with administrative approval may limit participation to only Windham Exempted Village School students.

5. Behavior during school sponsored dance events are covered under the guidelines outlined in the Student Handbook and appropriate social guidelines. Specifically:

A. Once the student has entered the dance, he/she must sign out to leave the premises prior to the close of the event. Leave/re-enter privileges do not exist. If necessary, an escort may be requested to monitor a student's travel to the parking lot to retrieve a missed item from a vehicle.

B. If a Windham student brings an out-of-district guest, when the Windham student leaves, the guest must leave as well.

6. Attire shall be suitable for the dance as set forth by the sponsoring group. Hats, dew rags and bandanas are prohibited by the school dress code and shall not be permitted at dances. Undergarments and undershirts shall not be exposed. Shirts must remain on and buttoned.

7. Students are expected to keep personal demonstrations of affection out of the dance.

8. Dancing shall be appropriate for the event and setting, shall be face-to-face, and shall not include sexually suggestive movements. Dance sponsor, chaperones and administrators reserve the right to request students adjust their behavior.

Note: Consequences for violating school/dance policy can include regular school discipline, denial of participation in future dances, and police referral. **Students are expected to comply with all behaviors outlined in the Student Handbook. Any student and/or guest failing to comply with requests for behavior adjustment may be asked to leave the dance immediately.** There will be no return of ticket money paid.

DISTRIBUTION OF MATERIAL

The principal must give permission if a student(s)/group wishes to distribute or post written material on school grounds/property. Material which is libelous, obscene, offensive, or which may interfere with the educational process is prohibited. Appropriate disciplinary action will be taken in these cases.

STUDENT PUBLICATIONS

Publications, such as the student newspaper and yearbook are connected to the overall school program and subject to editorial control by school officials.

STUDENT RECORDS

There are two basic kinds of records – directory information and confidential records.

Directory information will be made available upon a legitimate request unless a parent/guardian or student 18 years or older notifies the school in writing by September 15 of each school year that (s)he will not permit distribution of said information. Under Ohio law, directory information includes the following: Student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, date of graduation and awards received.

Confidential records contain educational and behavioral information that has restricted access based on the Family Education Rights and Privacy Act (FERPA) and Ohio law. This information can only be released with the written consent of the parents, the adult student, or a surrogate.

The only exception to this is to comply with State and Federal laws that may require release without consent.

Included in the confidential records may be test scores, psychological reports, behavioral data, disciplinary actions and communications with the family and outside service providers. The School must have the parents' written consent to obtain records from an outside professional or agency. Confidential information that is in a student's record that originates from an outside professional or agency may be released to the parent through the originator and parents should keep copies of such records for their home file. Parents may also provide the School with copies of records made by non-school professional agencies or individuals. Information on former students falls into directory and confidential information categories and will be made available on the same basis as enrolled students.

Students and parents have the right to review all educational records generated by the school district, request amendment to these records, insert an addendum to records, and obtain copies of such records. Copying costs may be charged to the requester. If a review of records is wanted, please contact the Guidance Office, in writing, stating the records desired. The records will be collected and an appointment will be made with the appropriate persons present to answer any questions there may be.

SURVEILLANCE AND STUDENT PRIVACY

CODE OF CONDUCT

Purpose: The staff and administration of Windham Junior and Senior High Schools consider the development of social skills, fostering respect for all people, developing an understanding for diverse viewpoints, and providing a safe, friendly, and productive learning environment as a part of its basic educational mission.

Rights and Responsibilities: The exercise of self-control, self-discipline, and self-direction are essential to a positive school behavior and success in the future. The school has an obligation to observe and respect the rights of individual students and the student body as a whole. Cooperation and the observation of the rights of others are essential. To this end, each pupil must be responsible for his/her behavior and must respect the rights of others.

Attendance at and participation in extra-curricular activities considered a privilege, not a right. Administrators and school officials who supervise pupil activities may prohibit a student from participating in that activity without the procedures for a full suspension or expulsion. Such activities may include commencement exercises, class trips, and prom.

Disciplinary action for out-of-school misconduct may be imposed for conduct which is connected with school activities or which is directed at school officials or employees, or the property of such official or employee regardless of where it occurs.

Any act of misconduct which has the school as its point of origin or is connected to activities or incidents that have occurred on property owned or controlled by the district, may be subject to disciplinary action by school authorities and may be reported to the appropriate law enforcement agency.

Expected Behaviors: Each student shall be expected to:

- A. Abide by national, state, and local laws as well as the rules of the school
- B. Respect the civil rights of others
- C. Act courteously to adults and fellow students
- D. Be prompt to school and attentive in class

- E. Work cooperatively with others when involved in accomplishing a common goal regardless of the other's ability, gender, race or ethnic background
- F. Complete assigned tasks on time and as directed
- G. Help maintain a school environment that is safe, friendly and productive
- H. Act at all times in a manner that reflects pride in school, self and family. This includes any event outside of the normal school day that school personnel have a responsibility for such as dances, field trips and athletic events.
- I. Converse in an appropriate manner in content and volume for young ladies and gentlemen.
- J. Use care in all facilities and with all books, equipment and apparatus.

Students have a right to reasonable treatment from the school and its employees. The school has a right to make rules and regulations. The intent of these rules and regulations is to create a positive educational environment that holds students accountable for their behavior and teaches them to live with the consequences of their decisions.

In compliance with state law contained in Ohio Revised Code 3313.661, the Windham Board of Education has adopted the following Code of Conduct providing guidelines and regulations for student conduct. The rules and standards set forth in the code shall be applicable both during regularly scheduled school hours, as well as at such other times and places, including, but not necessarily limited to field trips, athletic events, and school sponsored functions. Any other acts, which detract from the school day, destroy order; lower the morals of the student body, or infringe on the rights of others will be handled accordingly.

DISCIPLINARY ACTIONS

Violation of the Code of Conduct may result in verbal or written warning or reprimand, referral to guidance counselor, parental contact or conference, detention, in-school suspension, in-school restriction, post school restriction, community service, emergency removal, referral to law enforcement agencies, suspension or expulsion.

DUE PROCESS RIGHTS

Before a student may be suspended out-of-school, expelled, or permanently excluded from school, there are specific procedures that must be followed. Students being considered for suspension, expulsion, or permanent exclusion are entitled to an informal hearing with the building administrator prior to removal at which time the student will be notified of the charges and given an opportunity to explain his/her position with respect to the offense at hand.

Students are apprised of their due-process rights when an out-of-school suspension is being considered. The parent/guardian of a student who is being assigned an out-of-school suspension has the right to appeal the disciplinary action to the Superintendent of Schools. The appeal must be made in writing within 10 days of the first day of suspension, and must explain the reason for the appeal.

EXPULSION

If a student is suspended three (3) times during the school year for violations of the Student Code of Conduct, the principal may recommend to the Superintendent of Schools that the student be expelled from school according to the provisions of the law. If a student accumulates three (3) suspensions and is expelled during the first semester, the principal may recommend expulsion following the first suspension during the second semester. Students under expulsion are not permitted on school property or permitted to attend any school related function on school property or any event where Windham students are participating. The Superintendent may expel a student from school for up to eighty (80) days and in some cases for the entire year. Expulsion may result in the loss of credit for courses being taken at school or the Maplewood Career Center, or at any college or university whether under the Post Secondary Enrollment Option or at the student's own expense. Ohio law requires that withdrawal from school does not prevent the expulsion process from moving forward.

Parents/Guardians may appeal an expulsion decision to the Board of Education in writing within 10 days of the Superintendent's decision. The administration of Windham Schools will honor any suspension or expulsion from any other Ohio district which has not expired. Out-of-state districts' expulsions will be similarly honored.

OUT OF SCHOOL SUSPENSION

An out-of-school suspension may be assigned to students who violate the student code of conduct, or school rules depending on the type and seriousness of the offense. The building principal or administrative teacher on special assignment may suspend a student from school for up to ten (10) days for any violation of the Code of Conduct.

When a student is assigned an at-home suspension, these rules and regulations are in effect:

1. Student will not attend school or any school related activities.
2. Student is not permitted on any school district property. If this occurs, the police will be called. Those violating this rule are subject to trespassing charges being filed with the local police.

In situations where continued presence of the offending student may cause a disruption in the building, he/she may be emergency removed from all school activities immediately prior to the suspension.
4. Absence from school due to suspension shall be considered an authorized school absence. All work can be made up for full credit.
 - A 1% reduction for each day of out of school suspension will be deducted from the nine weeks grade for the suspension.
 - The building principal and/or assistant principal will change the grade of any student suspended and will notify the teacher and parents at the end of the nine week grading period.
 - The 1% reduction will be administered to all classes on the student's current schedule.

GANGS

The Windham Exempted Village School District recognizes that a school must create a safe environment in which learning can take place. The presence of gangs in the school disrupts that environment by threatening the safety of students in the school building and causing disruption of the academic process. As a result of this belief, the Windham Exempted Village School District bars all gangs and gang activities from school buildings and school property at all times.

A gang is defined as any identifiable group or club which exists without the sponsorship of the school or sponsorship of any recognized adult community or civic organization and which has no acceptable social goals; further, it includes any group whose purpose and practices include the commission of illegal acts, violations of school rules, establishment of territory or "turf", or any actions that interfere with the safety or welfare of others.

Gang activity such as initiations, recruitment, wearing of colors, hand gestures, fighting, assault, hazing or establishing turf, on school property, at school functions and school related activities will not be tolerated. Students who engage in gang activities shall be prosecuted, suspended and/or expelled.

- INSIGNIA:** No gang insignia may be worn or carried by an student on school grounds at any time. This includes:

 - C. Medallions or other jewelry which identify gang members or which have come to represent a gang.
 - D. Students in violation of this regulation may be immediately ejected from school grounds until such time as the offensive insignia is removed. Students may return to school grounds only if accompanied by parent or guardian. Students who refuse to remove or dispose of the insignia will be suspended. A repetition of this offense may result in expulsion.

This rule affects students before, during, and after school hours. A student shall not have on his/her person or in his/her possession or be within easy access to sell, give away, transmit, or conceal any tobacco products, matches or lighters.

Each offense of possession or use of any form of tobacco, matches or lighters shall be assigned 3 (three) days of in or out-of-school suspension.

STUDENT SUBSTANCE ABUSE POLICY

Students shall not use, possess, transmit, sell or offer to sell, buy or attempt to buy, or conceal alcoholic beverages, narcotics or other drugs including counterfeit drugs, or any paraphernalia capable of being used to use drugs.

The Windham Board of Education recognizes the serious societal problem of alcohol/drug abuse and dependency. Furthermore, the Board recognizes the dependency state of chemical use to be a primary physical illness.

As the central developmental institution for our community's youth, our schools play an important role in early detection of drugs/alcohol use, abuse and dependence; the protection of children from the promotion and sales of alcohol and/or drugs, and counterfeit drugs; and the establishment of treatment for the chemically dependent person.

We recognize a dual responsibility to discipline users and abusers and to offer help in seeking treatment for chemically dependent students and their families. Toward this goal, we are committed to achieving an environment of low risk for any individual who would use or abuse drugs/alcohol. This goal cannot be achieved by the schools alone regardless of funding, staffing ability or program development. The family, church, law officials, community health services, mental health and treatment facilities, and concerned citizens must also play a role if our goal is to be accomplished.

The school is obligated to perform specific functions such as notifying parents of behavioral signs that may indicate a student's use, abuse, dependency on alcohol or other chemicals and code of conduct which may involve enforcement of approved disciplinary procedures.

Any student believed to be under the influence of an illegal substance shall be examined and questioned by administration and school nurse. Emergency medical assistance and/or local law authorities may be contacted, if deemed necessary.

*Prescribed drugs are defined as any chemicals prescribed by a licensed physician for use by a designated person in a designated dosage at specific times.

Students are not permitted to have possession of, or provide for the use of others, any prescription or over-the-counter medication. All medications with the exception of specific asthma medications, must be kept and dispensed from the Building Office by school personnel. Students found in violation of this policy may face disciplinary action.
