I further agree that I will promptly inform the School-Based Health Center in writing of any changes in my child's physical or dental health and any change in the custody of my child which affects my ability to provide this consent on behalf of my child.

NOTE: In some situations Ohio law permits a minor to consent to medical care without parental consent. For example, parental consent is not required for contraception, pregnancy testing, and prenatal care; sexually transmitted disease testing and diagnosis; HIV testing; treatment of drug and alcohol related conditions; and certain outpatient mental health services. Throughout this document the use of the term "I" will refer to "I and/or my parents or guardians". The use of the term "me" "myself" or "my" shall refer to the student. The use of "Children's" will refer to Akron Children's Hospital, its physicians, nurses, other health care providers, employees, attending physicians and other physicians, and their assistants or designees.

I and/or my parent(s) or guardian(s) consent to let the physicians, nurses, other health care providers, and employees of Akron Children's Hospital, attending physicians and other physicians, or any of their assistants or designees, do all things that may be needed to diagnose, treat and care for the needs of the above-referenced student. Children's is a teaching hospital and I understand and agree that people who are in training, including, but not limited to, fellows, residents, and students, may assist or participate in my care. I understand and agree that Children's may take photos, video, or audio recording of me and use them for clinical, internal education purposes, legal purposes and quality improvement purposes. I understand and agree that Children's may at its discretion provide certain services to me by remote means called "telehealth". Children's may keep, preserve and use, or properly dispose of any tissue, samples, parts or organs that are taken during operation(s) or procedure(s). I understand that the practice of medicine is not an exact science and that no guarantees have been made about the results of my examination or treatment at Children's.

FINANCIAL RESPONSIBILITY AND ASSIGNMENT OF BENEFITS: I agree to pay all bills for my care, including bills that insurance benefits do not pay. This includes bills for Children's, physicians, or other entities that provided services during my care. I authorize Children's to bill my insurance carrier and request that payments be made directly to Children's. I assign to Children's, my physicians, and other healthcare professionals involved in my care, all of my rights and claims for reimbursement under any private health insurance policy, Medicare, Medicaid, Tricare, any other program for which benefits may be available to pay Children's for the services provided to me, or other payments or judgements. If I choose to pay for certain services out of pocket and exercise my right to limit disclosure of the information to my payer regarding those services. I understand that a financial agreement will be established. I agree to cooperate and provide complete and accurate information as needed to establish my eligibility for such benefits.

By signing this form, I am granting permission to Children's to use all phone numbers and email addresses that I have supplied to contact me regarding this current visit and any future visits. I will be given the opportunity to opt out of future text, email, or phone communications at any time. I understand that my opting out of future text, email or phone communications will not affect, directly or indirectly, my right to receive health care services from Children's.
